

To whom it may concern

I am writing to object to the proposed development at 86 Peregrine Street.

As an ... resident, I strongly oppose reducing the planned public park. Our community needs to keep this green space, not lose more of it.

Our streets are already overcrowded, with very limited street parking, heavy traffic, and increasing noise. Adding more residential lots and decreasing park space will only make these problems worse and reduce the liveability of our neighbourhood.

Please reject this proposal and preserve the planned park for our community.

Kind regards
