## Change Application - Brisbane City Council

|                             |                                                                                                                                |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| <b>Property</b>             | 15 Cassia Street, Bridgeman Downs QLD 4035                                                                                     |
| <b>Lot / Plan</b>           | Lot 23 on SP196622                                                                                                             |
| <b>Development Approval</b> | DRS/USE/H04-910535 (A001638440)                                                                                                |
| <b>Covenant</b>             | Dealing No. 711088978                                                                                                          |
| <b>Proposed Change</b>      | Amend the existing development approval to enable discharge/removal of the vegetation covenant affecting the subject property. |

### Consent

We, Ali Dorri and Parisa Hedayatnia, as the owners of the property identified above, consent to the making and lodgement of the change application to Brisbane City Council seeking amendment of Development Approval DRS/USE/H04-910535 (A001638440) so that Covenant Dealing No. 711088978 affecting the subject property may be discharged/removed. We authorise Brisbane City Council to assess and determine the application and to communicate with us in relation to the application.

This consent is limited to the change application described above and does not, by itself, authorise any separate building work, operational work, vegetation clearing or other development that may require further approval.
