I have read a PDF concerning the above applications and, from my own viewpoint and on behalf of family members (two of whom reside in reasonably close proximity to the proposed development), I wish to offer support for a BCC decision in favour of the development for reasons including:

- an increase in much needed residential accommodation in Wynnum.
- the obvious advantage of securing extra green space.
- the creation of facilities to attract and retain residents.
- the likelihood of reduced reliance on cars given the proximity to the rail network.

Yours sincerely,
