Application No: A006408815

Dear Ruka,

Following receipt of Council's assessment of the amended access design, it will be necessary to possibly further amend the access design and, in any case, complete the architectural redesign of the building to accommodate the access design.

To allow further time for this to be carried out, it is requested that the end date of 31 March 2026 for the decision period be extended to 31 May 2026.

Regards

Ken Drew
