Dear Frances,

Further to our recent conversation, I would appreciate it if you could please discuss with your client a request to extend the Information Request period by an additional one (1) week. This extension would allow Council additional time to complete the initial assessment, progress discussions to resolve any matters where possible, and prepare the Information Request.

Please find attached the request letter for the extension to the Information Request period. I would appreciate it if you could kindly arrange for this to be signed and returned prior to/by COB Tuesday, 28 April 2026.

Any further correspondence regarding this application should be directed to the dedicated team inbox listed below, with the application number included in the email subject line.

As always, please feel free to contact me should you wish to discuss this further.

Kind Regards,
