Subject: We firmly oppose the application on any further development-A006898449

This email originates from outside of Brisbane City Council.

Dear Sir or Madam,

I'm sorry to send this email to you so late, but today I just saw the information on the change of development application-A006898449, the church at 27 McILWraith Street, so I'm writing right now to let you know we firmly oppose the application.

My family has been living at Mcilwraith street for six years. Currently, there're some apartments around the church, so bothsides of this road are full of parked cars everyday. The church only has around four parking spaces. When the church organize activities, they park their cars on our bothsides of this street, so the traffic on this street is extremely bad. Also crimes have been happening on this street , but I never heard any crimes happened on this street three years ago. These bad traffic and noise caused by the church has been disrupting our daily lives. So we firmly oppose the application on any further development-A006898449.

Best regards,
