This email originates from outside of Brisbane City Council.

Good Afternoon,

I hereby wish to raise my objection to the proposed development for the following key reasons:

- Additional height and land coverage deteriorates the current environment that New Farm has been enjoying thus far.
- Given that it is in a street that is already congested by the nearby school, church and commuters, this will exacerbate the traffic flow, noise and parking challenges further.
- Roof Terrace diminishes the privacy aspects of the neighborhood.
- Less green space.

For your consideration,

Regards,.
