Subject: 652 Kessels Rd and 10 Pickworth St, Upper Mt G

This email originates from outside of Brisbane City Council.

The billboard on the lot said to email to have your say about this upcoming project:

I am making a submission to oppose this building development proposal. Player Street is already a high density traffic area, as it is the main entry and exit point for houses and unit buildings in the back streets of the area. This new building will impact the traffic circuit on the single round about which is already backed up far down Nagle St in both mornings and afternoons during peak hours.

The intended lot is a long yet extremely narrow block and can't adequately fulfill the needs of the building design.

I appose the proposed development for
652 Kessels Rd and 10 Pickworth St, Upper Mt G.
