Dear Joanna,

RE: EXTENSION TO APPLICANT'S PERIOD TO REFER THE APPLICATION - (COUNCIL REFERENCE A007102635) AT 68 NORBURY STREET, COOPERS PLAINS AND 41 RIAWENA ROAD, COOPERS PLAINS DESCRIBED AS LOT 3 AND 4 ON RP174549

We refer to the application currently before Council specified in the subject line above.

As you are aware, Council issued a confirmation notice on 22 September 2026, in accordance with s5.1 of the *Development Assessment Rules,* the applicant is required to refer the application to the nominated referral agency prior to 7 October 2026. Unfortunately, further time is required to refer the application.

On behalf of the Applicant, Hanson Construction Materials Pty Ltd, MNG seeks Brisbane City Council's agreement to extend the period to give a copy of the application to the referral agency until 14 October 2026.

Your agreement to this extension request at your earliest convenience would be appreciated.

Should you require any further assistance in relation to this matter, please contact Andrew Burridge or Desiree-Houston Jones of MNG on phone number (07) 3842 1000.

Yours faithfully

Désirée Houston-Jones
Planning Director - QLD
