

Dear Sir/Madam,

Happy Queensland Day.....

NO to the redevelopment of 48 Wallace Street Chermside - There is no 69 Davenport Street Chermside.

Whoever the developer thinks he/she/they are, I really don't think they have thought about the ugliness this will cause. The block is not big enough for what the sign says.

Council should NOT ALLOW this application to go through.

NO !!! NO !!! NO !!! to the go ahead of this application.

Kind regards,
