[...] for 10 Hampson Street – the meeting house for the Society of Friends.

I have no objections to the development of 10 Hampson St Kelvin Grove but I do ask the following.

I have two requests for the proposed development Application A006993315.

That the original Survey boundary markings be confirmed and acknowledged.

The survey lines slightly overlap onto the concrete driveway of the Society of Friends property.

The current dividing fence between the Society of Friends [...]

[...] importantly assist visitors to the Society when reversing down their long narrow driveway.

I have no malice to the Society of Friends.

My long term concern is that the stated legal area of my property is not reduced and possibly affecting future resale.

Builder vehicles and equipment do not obstruct [...]

Wherever feasible that builders' vehicles, equipment and supplies be kept within 10 Hampson St itself.

Street parking within the neighbourhood is limited and heavily used in the areas of Prospect Tce and Hampson Street
