Hi all,

Update for everyone regards the footpath stormwater crossover.

The company we engaged to provide the road closure has advised that the three day permit has been provided to them for dates 11th May – 11th June.

We are hopeful that the works will commence on the Monday 18th May.

Kah Mun I will advise you as soon as we have a confirmed start date from the road closure team. Please call or email if you have any questions.

Kind Regards,

Michael McLaren
