Hi Shirly,

Thanks for meeting with me last week to discuss A006698906, A006688153 and A006724561.

I've had various communication with each of the applicants. I note that the IR Response is due on 15th April for these 3 applications. I am on holidays next week and there is a large body of work to be done to formally respond to these RFIs (particularly civil engineering). There is intention to progress these applications, however I am requesting an additional 3 months under clause 13.1 of the DA Rules. The new IR response being due on 15th July 2026.

I look forward to your response.

Regards

Andrew McLean
