Good afternoon Brisbane City Council,

Hope this email finds you well.

This email is in reference to the Proposed Development of 21 residential plot at 105 Van Dieren Road Pallara QLD 4110.

My vote is NO for the development of housing at the above mentioned plot due to the following reasons:

- Van Dieren Road has now far too many houses.
- The Van Dieren Road is now getting busier than 2/ 3 years back
- Preserve the natural habitat.

I look forward to a positive and favourable response back from the BCC.

Thanks and regards,
