

17 Arcoona St, Sunnybank 4109
L43 RP131873

I refer to the above application and oppose the application as I believe there has been some misconduct on all parties concerned including the council.

You are to note that the building is already in place no application was submitted prior to this.

My reason for this is that 6 rooms 6 car places in a so called local residence street!

I might add that the same is in progress at 14 Arcoona St opposite this property!! No application!!

Should I take it up with the media !

I look forward for an interesting response!

Thanks
