RE: Request for extension of information request period under the *Planning Act 2016*

I am writing to seek your agreement to extend the information request period under section 12.2 of the Development Assessment Rules until 23 June 2026. Council requires additional time to coordinate with internal departments and stakeholders prior to issuing an information request.

As the extension requires your written agreement, we would appreciate it if you would confirm your agreement with this extension by signing and returning the attached letter.

Please phone me on the number below if you have any queries regarding this matter.

Yours sincerely
