

Changes to Conditions

The following section outlines the proposed changes to the approval package. Specifically, text **struck through in red** indicates wording to be deleted and **blue and underlined** indicates proposed changes.

Changes are requested to the conditions of approval as a result of the proposed changes, which are outlined in table below.

Table 1 – Proposed amendments to permit descriptions

Conditions and Requested Amendments	Comments
Stage: Multiple dwelling (2 towers for a total of 239 <u>237</u> units)	Changes are requested to the Material Change of Use permit description to reflect the amended number of units
