

Hi

I'm writing in regards to the above proposed development. I am concerned that the development takes away part of the wildlife corridor which is critical for resident wildlife. In particular, at the end of last year I saw a koala and joey on Basella St. I did try to report it on the QLD Government tracking app but I'm not sure I got it to work correctly. Please let me if you need more information from me.

.....

PROPOSED DEVELOPMENT HAVE YOU

Reconfiguring a Lot (1 into
