Subject: Objection to Proposed Development: A006881302

This email originates from outside of Brisbane City Council.

I do not agree with this. This will disturb my cats who like to sleep after their feeder goes off (usually about half eight) for a couple of hours.

They also like to nap during the day at intermittent periods depending on how they feel, how much they've been playing and chasing each other. This development is also something that will be heard from their cat tree and donut, this disturbing their peace.

Please thank the developers for their assumed agreement to the above sentiment. They'll also be able to charge higher prices for the condos in 2 years time so everyone is a winner.

Thank you.
